## EXPERIENCE

### **Sony BMG Music Entertainment:** March 2005 - present

New York, NY

Senior Web Designer Responsible for designing, coding, and building web sites and marketing tools for artists. Maintained and developed various tools in Flash to streamline production of web sites including music players, jukeboxes, navigation tools, and flash templates. Artist and Label sites include:

- Modest Mouse
- Bob Dylan
- Billy Joel
- Jessica Simpson
- Incubus
- Bow Wow
- The Fray
- Augustana
- Brandi Carlile
- Nicole Atkins
- Epic Records
- Glacial Pace Recordings
- Canvasback Music

### **NYC2012:** November 2004 - February 2005

New York, NY

Flash Developer Contracted to design Flash presentations as part of New York City's 2012 bid to the Olympic Committee. Presentations showcased twenty-five proposed venues, geographical relationships, and transportation routes.

### **Lost In Brooklyn Studio:** December 2003 - March 2005

Brooklyn, NY

Web Consultant & Designer Helped to extend a rich online identity to LIB's client roster. Projects included: dynamic presentations, html emails, and websites for ETL Sports Representation, Miller Theater's '04 Spring Gala site, Sequitur.org's 04-05 Season, and the Birnbaum and Bullock splash page.

### **Brooklyn Underground Film Festival:** June - October 2002

Brooklyn, NY

Designer Helped give the first year of the festival a design identity. Responsible for web design, logo development, and print design.

### **Freelance Web Design**

Over the past several years, I have worked for many companies and projects designing and developing sites, online advertising, and creating unique online experiences. Clients include:

- Ogilvy & Mather
- Derby and Kotch
- Netzotic Digital Consulting
- Three Graces Films
- Willie Davis Photography
- The Design Can
- Studio 8 Design
